BCI FUNDING GROUP, et al.,**

Defendants.

-----X
ODETTE J. WILKENS, an attorney duly admitted to practice in the State of New York and before this Court, declares, under penalty of perjury and pursuant to 28 U.S.C. Section 1746, that the following statements are true to the best of my knowledge:

1. Plaintiff's www.biosafeone.com website, certain portions of which were printed from the internet on August 29, 2007 and other portions printed from the internet on August 31, 2007, in each instance by Christopher Jorgensen or at his direction, is contained in Exhibits 1 through 5 and Exhibit 11;

2. Three versions of defendants' websites, portions of which are also contained in Exhibits 1 through 5 and Exhibit 11, are:

- a. www.newtechbio.com printed from the internet on or about August 31, 2007 beginning on or about 1:57 a.m. by Christopher Jorgensen or at his direction;

- b. www.cloggedrainfield.com printed from the internet on or about August 27, 2007 by Christopher Jorgensen or at his direction; and
- c. www.newtechbio.com printed from the internet on or about September 10, 2007, an even more updated version than provided in defendants' Memorandum.

3. References to "Websites" herein means the websites specified in paragraphs 1 and 2 above, typically in that order. Similarities to plaintiffs' www.biosafeone.com website are underscored in red on all three versions of defendants' websites. Plaintiffs' www.biosafeone.com website is underscored in red to show similarities to defendants' website, www.newtechbio.com, that was printed on August 31, 2007 beginning at 1:57 a.m., and to show in many instances similarities to plaintiffs' www.cloggedrainfield.com website. Exhibits 1 to 5 and Exhibit 11 contain pages from the Websites, also typically in the order specified in paragraphs 1 and 2 above.

4. Attached as Exhibit 1 is a true and correct copy of the Websites' respective "Home" pages.

5. Attached as Exhibit 2 is a true and correct copy of the Websites' respective product information pages generally referred to by plaintiffs as "Product Info" and by defendants as "About NT-MAX."

6. Attached as Exhibit 3 is a true and correct copy of the Websites' respective "Treatment Guide" pages. There are two sets of plaintiffs' Treatment Guide pages: one compared against defendants' www.newtechbio.com website as printed from the internet on August 31, 2007, beginning on or about 1:57 a.m.; the second compared generally against

defendants' websites www.cloggeddrainfield.com and www.newtechbio.com printed from the internet on September 10, 2007.

7. Attached as Exhibit 4 is a true and correct copy of the Websites' respective Frequently Asked Questions or FAQs pages.

8. Attached as Exhibit 5 is a true and correct copy of the Websites' respective Order or Purchase pages.

9. Attached as Exhibit 6 is a true and correct copy of the Websites' respective before and after pictures of septic tanks, one of which is an illustration prepared at counsel's request.

10. Attached as Exhibit 7 is a true and correct copy of the Websites' respective product boxes printed from the internet in a side-by-side comparison, prepared at counsel's request.

11. Attached as Exhibit 8 is an illustration of the similarities between plaintiffs' and defendants' buckets, prepared at counsel's request.

12. Attached as Exhibit 9 is an illustration of the similarities between plaintiffs' and defendants' four-bubble design, prepared at counsel's request.

13. Attached as Exhibit 10 is a true and correct copy of Louis Flanigan's affidavit.

14. Attached as Exhibit 11 is a true and correct copy of the respective Websites' charts comparing the competition.

15. Attached as Exhibit 12 is a true and correct copy of plaintiffs' DMCA notices.

16. Attached as Exhibit 13 is a true and correct copy of a letter from the counsel for Add2Net, Inc. doing business as Lunarpages to defendants' counsel that is included in defendants' Memorandum as Exhibit P.

17. Attached as Exhibit 14 are true and correct copies of correspondence between plaintiffs' counsel and defendants' counsel: one dated August 27, 2007 and the other dated September 5, 2007.

18. Attached as Exhibit 15 are true and correct copies of an email from Lunarpages to plaintiffs' counsel dated August 22, 2007, and email from defendant Bradley Skierkowski with attached letter purportedly from Bradley Skierkowski to Ben Butler of Godaddy.com.

19. Attached as Exhibit 16 is a true and correct copy of what purports to be defendants' domain registration and the server that purportedly connects to HostingPanama, apparently defendants' present hosting company, and a web page from that hosting company.

20. The following is a comparison of the "Home" pages corresponding to Exhibit 1 above.

"Home" Pages

| From Plaintiffs' "Home" Page | Copied By Defendants' on their "Home" Page (and on other pages cited below) |
|--|--|
| "Eliminate Pump-Outs" | "Eliminate Pump-Outs" (appears on many pages – see Exhibits 1 to 5, generally) |
| "Completely Restore Clogged Drainfields" | "Completely Restores ... Clogged Drainfield" ("Restore Clogged ... Drainfield" appears on many pages – see Exhibits 1 to 5, generally) |
| "Industrial Strength Bacterial /Enzyme [sic] Treatment" | "Industrial Strength ... Bacterial ... Enzyme ... Treatment" |
| See "Product Info" page, Exhibit 2 | "Digests 100lbs [sic] per Day" |
| "Pennies per day, save tens of thousands of dollars in costly repairs and replacement bills" | "Pennies Per Day" "save tens of thousands of dollars in repair or replacement costs" (also on "About NT-MAX" page, Exhibit 2) " ... save ... tens of thousands of |

| | |
|--|---|
| | dollars in costly repairs or replacement” (on “FAQ’s” page in pop-up window response to the question on Defendants’ “How Do I Know If My Septic System is Failing?” Exhibit 4) |
| “We guarantee that our products are the strongest on the market and are backed by over 56 years of research and development. Click here to order.” | “With over 70 years of research and development behind us, We [sic] Guarantee [sic] that our products are the most powerful ... on the market. Click here to order.” (In copying Plaintiffs’ wording, Defendants copied the capitalized “W” in “We.”) |
| “Sewage-digesting, ... bacteria & enzymes are 100% guaranteed to safely eliminate grease, paper and solid waste. Helps eliminate bad bacteria ... and odor.” | “... sewage-digesting bacteria & enzymes are 100% guaranteed to safely eliminate grease, paper and solid waste. Helps eliminate ... bad bacteria and odor.” (This is arranged in a similar position on Defendants’ “Home” page as on Plaintiffs’ “Home” page.) |

21. The following is a comparison of the Product Information pages corresponding to Exhibit 2 above.

Product Information Pages

| From Plaintiffs’ “Product Info” Page (unless otherwise noted) | Copied By Defendants On Their “About NT-MAX” Page (unless otherwise noted) |
|---|---|
| “Completely Restore Clogged Drainfields” (on “Home” Page) | “Restore Clogged ... Drainfield” |
| “Eliminate Pump-Outs” (on “Home” Page) | “Eliminate Pump-Outs” |
| “Pennies per day, save tens of thousands of dollars in costly repairs and replacement” (on “Home” Page) | “Pennies Per Day can Save you Tens of Thousands in Costly Repairs” [sic] |
| “4.5 billion bacteria ... double every | “900 Billion [sic] bacteria ... |

| | |
|--|--|
| twenty minutes ...” | doubling ... every 20 minutes ...” |
| “Can save you tens of thousands of dollars in costly repairs and replacement bills.” | See below. |
| “B.O.S.S [sic] digests up to 100 pounds of sludge/ scum within a 24 hour period.” (at top of the page) | “Digests up to 100 lbs. of compacted sewage within a 24 hour period” (at top of the page) |
| “B.O.S.S [sic] digests up to 100 lbs ... within a 24 hour period” (lower on the page) | “NT-MAX bacterial enzymes digests [sic] up to 100 pounds ... in a 24-hour period.” (lower on the page) |
| “B.O.S.S [sic] treatment comes in pre-measured bags containing ... oxygen ... and ... non-oxygen bacteria ... flush ... one bag down your commode once a month.” | “NT-MAX ... treatment comes in pre-measured ... bags containing oxygen, and non-oxygen surviving bacterial blends ... flush one bag down your toilet once a month.” |
| “Through it’s [sic] superior enzymatic activity against specific substrates such as ... grease ... protein ... paper ... and ... starch ..., B.O.S.S [sic] digests and dissolves organic matter ...” | “Our superior enzymes ... digest septic system contents such as ... proteins ... grease ... starches ... ; and papers. NT-MAX digests and dissolves ALL organic matter ...” |
| “Most systems fail due to problems in the drainfield when the drain field lines and soil gets [sic] clogged with biomat ...” | “Most systems fail in the drainfield where the field lines progressively clog ...” |
| “B.O.S.S. can save you tens of thousands of dollars in costly repairs ... It can cost from \$10,000 to \$70,000 to repair or replace your septic system.” | <p>“NT-MAX Septic Tank Treatment can save you tens of thousands of dollars in repair or replacement costs ... Septic tank systems ... can run \$10,000 to \$70,000 ...”</p> <p>Also on “Home” page: “NT-MAX Septic Tank Treatment can save you tens of thousands of dollars in repair or replacement costs and can ... run \$5,000 to \$70,000 ...”</p> |
| “B.O.S.S [sic] is highly effective in cesspools, ... and lagoons and is approved for all septic system applications. Chemical products are dangerous ... With B.O.S.S [sic] you | “NT-MAX is highly effective in cesspools, ... and ... lagoons ... NT-MAX is approved for all septic system applications ... Chemical products are hazardous ... Our |

| | |
|---|--|
| receive an industrial strength treatment ... at wholesale cost, saving you the 50% retail mark-up while providing you with the best possible septic treatment for your home.” | wholesale pricing models save you more than 50% over typical retail pricing while providing you with the strongest possible bacterial septic treatment for your home.” |
|---|--|

22. The following is a comparison of the Treatment Guide pages corresponding to Exhibit 3 above. There are two Treatment Guide comparisons below -- first against defendants' website www.newtechbio.com as printed from the internet on August 31, 2007 beginning after 1:57 a.m., and second against both defendants' www.cloggeddrainfield.com, and www.newtechbio.com as printed from the internet on September 10, 2007. These are only representative similarities. See attached webpages marked in red to show more extensive similarities.

This is the first comparison against defendants' website www.newtechbio.com as printed from the internet on August 31, 2007 beginning after 1:57 a.m.

Treatment Guides
